Scope of the Cookies Policy

Ausprime website use cookies to provide the functionality you need to browser our site currently. Ausprime website issue upon landing on your website, unless the user has changed cookie setting in their browser or refuse cookies.

By default , the cookie setting on this website are set to “allow all cookies”. By using this site, you agree that we may store and access cookies on your devise. Cookies are used to improve user experience, make the website work, enable site security and provide the business with marketing information about the site’s visitors.

Please note with cookies switched off, many areas of our website and services will not be made available to you.

What are cookies?

A cookie is a small text file that a website saves on your computer or mobile device for accessing internet, when you visit a website or a page. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period of time, so you don’t have to keep re-entering them whenever you come back to the site or browse from one page to another.

Why are cookies useful?

The cookies allow a website to recognise a user’s device. The objective of cookies use is to improve and make the user’s experience easier, safe and effective website.

An overview of the functions of our cookies are as follows:

- a. Verifying your identity and detecting which country you are located in;
- b. Checking browser type and device;
- c. Tracking which site the user was referred from;
- d. Allowing third parties to customize content accordingly.

Categories of cookies store on your device

Essential Cookies

Essential cookies are required for the operation of a website (such as features and accessing secure areas of the site). these are used to help make our website work efficiently. You cannot disable these cookies.

Functionality Cookies

Functionality cookies allow us to remember your preferences and to provide enhanced or more personal features. These cookies remember the choices you made to improve your experience. You can delete or disable performance and/or functionality cookies, however if you do so some features of this site may not work as intended.

Analytical Cookies

The information provided by analytical cookies allows us to analyse patterns of visitor behaviour and we use that information to enhance the overall experience or identify areas of the website which may require maintenance. The information is anonymous (i.e. it cannot be used to identify you and does not contain personal information such as your name and email address) and it is only used for statistical purposes. Behavioural cookies are similar to analytical and remember that you have visited a website and use that information to provide you with content which is tailored to your interests.

Performance Cookies

Performance cookies analyse how our visitors use our websites like your preferred language or the region that you are in, and also to monitor website performance. These cookies do not collect any information that identifies our visitors.

Behavioural advertising Cookies (third “3rd” Party)

Third party cookies are served by external companies through our website. Third party companies include social networks and advertising channels we use. These cookies store local information about your browser habits. Examples include liking a page, sharing information, viewing an advert and what browser/OS you are using. They help us measure the effectiveness of our advertising. Where applicable, you can opt out of these cookies and continue your browsing on our site.

The cookie-related information is not used to identify you personally and the pattern data is fully under our control. These cookies are not used for any purpose other than those described here.

Type of Cookies we use

Name	Lifetime	Type	Description
UUID#{abcdef0123456789}{32}	Session	Essential	Compulsory session cookie to track preferences of user in regards to website navigation.

Mange your Cookies

You can delete cookies any time you want by using the settings in your web browser. You can also choose to disable cookies from your web browser, but this would mean that our website and other websites may not function properly if you do this, you would have to make changes on your browser if you wish to disable cookies.

Some cookies are deleted when you close your browser. These are called “session cookies”. Others have been stored and remain on your device until they expire or you delete them manually. These are called “persistent cookies”. Most web browsers (such as Microsoft Internet Explorer, Mozilla Firefox, Google Chrome, Apple Safari) are set up to accept cookies.

They also allow you to control your cookie settings and to delete/block any cookies already stored on your device. Your browser’s ‘help’ function will tell you how to do this.
