

WEEKLY ECONOMIC CALENDAR AHEAD

Here is what you need to know about the important news between **September 19th, 2022, and September 23rd, 2022**, where we take a look at the economic data, market news and headlines likely to have the biggest impact on the market prices this week and beyond, as well as the US Dollar, and other key correlated assets.

U.S. dollar index

The Us dollar Index is gearing up for a fresh rally ahead. FED is expected to announce a new rate hike of 75 basis points, however investors are prepared for an even higher upgrade of the rates, after the last weeks. Inflation data, which showed that FED needs to take measures to fight it.

Gold

Gold prices faced a vertical fall, since the dollar is climbing on the rumours for the higher rates increase. The precious metal it is trading close to \$1660, and the new FED meeting and rates decision, will be a major impact on the direction that Gold will follow.

Oil

Oil prices fell early on Monday as fears of a global recession fuelled worries that growth in fuel demand will slow, although supply worries ahead of the European Union's embargo on Russian oil in December capped declines.

Stocks

Market participants are focusing this week on the Federal Reserve's interest rate decision, following a hotter than expected CPI reading that boosted expectations for a third consecutive 0.75% rate hike, lifting Fed funds rate to a target range of 3% to 3.25%.
